

विज्ञापन संख्या/Advertisement No. inStem/Temp/BMGF/11/2024

The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is an autonomous institute under the Department of Biotechnology, Ministry of Science & Technology, Government of India. DBT-inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration, and repair in development and disease, with an emphasis on translation. To develop strengths in focused areas, research at DBT-inStem is driven through collaborative interdisciplinary teams, addressing questions that are beyond the scope of a single laboratory. DBT-inStem shares a campus and research facilities with the Bangalore Life Sciences Cluster (BLiSC).

DBT-inStem invites applications (in online mode) from eligible candidates for contractual position of two Project Scientists under a project funded by the **Bill & Melinda Gates Foundation**. We are looking for dedicated professionals who are result-oriented, can assimilate, analyze and communicate data effectively and are excellent team players capable of working in a fast-paced, multi-disciplinary environment.
