विज्ञापन संख्या/Advertisement No. inStem/Temp/31/2024

The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is an autonomous institute under the Department of Biotechnology, Ministry of Science & Technology, Government of India. iBRIC-inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration, and repair in development and disease, with an emphasis on translation. To develop strengths in focused areas, research at iBRIC-inStem is driven through collaborative interdisciplinary teams, addressing questions that are beyond the scope of a single laboratory.

iBRIC-inStem invites applications (in online mode) from eligible candidates for post of **Project Associate-II** in the laboratory of Dr. Diya Binoy Joseph, Scientist-D.

Over view of the lab and PI: The Institute for Stem Cell Science and Regenerative Medicine (inStem), is a premier research centre located in Bengaluru. Dr. Diya Binoy Joseph is a faculty member in the Centre for Inflammation and Tissue homeostasis at inStem. Her research focuses on epithelial homeostasis and innate immune defences in the genitourinary tract. Her work utilizes mouse models and tissue culture to understand epithelial-immune interactions in the genitourinary tract.

Post Code, Post Name & Monthly Emoluments	No. of Post & Age limit	Qualification & Experience	Job Description
Project Associate-II Rs. 35,000/m+ HRA (Net Qualified) Rs. 28,000/m+ HRA (Non-Net Qualified)	No. of Post -01 Age Limit -35 years	<p><u>Essential Qualification</u></p> <p>1. Completed MS/MSc in Life Sciences subjects or MVSc or Bachelor's degree in engineering or technology (B.Tech.).</p> <p>2. Candidates should have cleared one National level test (CSIR/UGC-JRF, ICMR-JRF, DBT-JRF/GATE-XL/GATE-Biotechnology) with valid certificate of eligibility</p> <p style="text-align: center;"><u>OR</u></p> <p>3. Candidates must have 2 years of post-MSc/MVSc/B.Tech research experience (Master's thesis work when enrolled for degree is not counted).</p>	<p>1. Project Associate-II will work with the PI on an ongoing project studying epithelial linings of the lower urinary tract.</p> <p>2. Project Associate-II will have the opportunity to work with mouse models, cell culture and stem cells.</p> <p>3. Project Associate-II will contribute to ongoing studies in the lab and will be included in manuscripts resulting from the work if the contribution is deemed significant to merit this.</p>

Tenure: Contractual appointment for 11 months, renewable based on requirement and review of progress and requirement of the Grant.

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

How to apply: Interested candidates may log into the iBRIC -inStem website – Careers – Open positions (<https://www.instem.res.in/jobportal/>)

Applicants should submit the following information as a single PDF file:

1. 2-page Curriculum vitae with current address, phone (mobile) number and e-mail address.
2. 1-page Motivation letter explaining past research experiences, career goals, and motivation to join our laboratory and research programs. Please include the advertisement number in the letter and upload the same as one document with a CV.
3. Contact information of at least two referees (will be contacted only if needed)

Application Fee: Nil

Last date for receipt of applications: 31st December 2024

General Conditions:

1. Incomplete applications shall be summarily rejected and no correspondence in this regard shall be entertained.
