

विज्ञापन संख्या/Advertisement No. inStem/Temp/BMGF/30/2024

The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is an autonomous institute under the Department of Biotechnology, Ministry of Science & Technology, Government of India. iBRIC-inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration, and repair in development and disease, with an emphasis on translation. To develop strengths in focused areas, research at iBRIC-inStem is driven through collaborative interdisciplinary teams, addressing questions that are beyond the scope of a single laboratory.

DBT-inStem invites applications (in online mode) from eligible candidates for two contractual Junior Research Fellow (JRF) positions under a project funded by the **Bill & Melinda Gates Foundation**. We are looking for dedicated professionals who are result-oriented, can assimilate, analyze and communicate data effectively and are excellent team players capable of working in a fast-paced, multi-disciplinary environment.

Post Code, Post Name & Monthly Emoluments	No. of Post & Age limit	Qualification & Experience	Job Description
Post Code-BMGF/JRF JRF ₹.37,000/m + HRA	No. of Post - 02 (Two) Age Limit - 35 years	Essential Qualification Master's Degree in Natural / MVSC or Bachelor's degree in Engineering or Technology or Medicine from a recognised university or equivalent. With at least 1 year of R&D experience in academic institution or relevant industry	<ul style="list-style-type: none"> • Research requiring cell biology techniques including culturing routine cell lines, maintenance of stocks and transfection. • Plan experiments, order reagents, and adhere to protocols. • Nanobody/single-chain antibody screening using yeast display methods. • Routine molecular biology work such as cloning, nucleic acid isolation, and sanger sequencing. • Cloning, recombinant protein expression and purification • Biochemical and biophysical methods to characterize the isolated proteins with desirable properties. • Regular data analyses, project updates literature surveys and presentations on the target • Participate in project team meetings and contribute to the projects intellectually

Tenure: Contractual appointment for 11 Eleven months, renewable based on requirement and review of progress and requirement of the Grant.
