The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is a research institute under the Biotechnology Research and Innovation Council, the Department of Biotechnology, Ministry of Science & Technology, Government of India. iBRIC-inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration, and repair in development and disease, with an emphasis on translation. To develop strengths in focused areas, research at iBRIC-inStem is driven through collaborative interdisciplinary teams, addressing questions that are beyond the scope of a single laboratory.

iBRIC-inStem invites applications (in online mode) from eligible candidates for the contractual positions in the laboratory of Dr. Bhavana Muralidharan, Assistant Investigator. We are looking for dedicated professionals who are result-oriented, can assimilate, analyze, and communicate data effectively, and are excellent team players capable of working in a fast-paced, multi-disciplinary environment.

Post Code, Post Name & Monthly Emoluments	No. of Post & Age limit	Qualification & Experience	Job Description
Postdoctoral fellow Rs 58,000/m + 27% HRA (with PhD awarded) Rs 42,000/m+ 27% HRA until thesis defense (with thesis submission)	No. of Post-01 (One) Age Limit – 35 years	Essential Qualification Doctoral Degree in Science from a recognised university or equivalent in Stem cell biology, Neuroscience, Medical Science, Clinical Science, Translational Science	This position is available in the lab of Dr. Bhavana Muralidharan, who studies brain development in health and disease. The ideal candidate should be proficient in mammalian and stem cell culture, as well as basic and advanced molecular biology techniques such as cloning, transfection and epigenetic analysis. Additional skills include confocal/fluorescent microscopy, and handling of clinical/patient samples. The candidate should possess excellent written and oral communication skills, strong organizational abilities, and a demonstrated record of scientific productivity. The ability to work independently and collaboratively within a team is essential.

Tenure: Contractual appointment for 11 months, renewable based on requirement and review of progress and requirement.

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

How to apply: Interested candidates may log into the iBRIC-inStem website – Careers – Open positions (<https://www.instem.res.in/jobportal/>)

Applicants should submit the following information as a single PDF file:

1. 2-page Curriculum vitae with current address, phone (mobile) number and e-mail address.
2. 1-page Motivation letter explaining past research experiences, career goals, and motivation to join our laboratory and research programs. Please include the advertisement number in the letter and upload the same as one document with a CV.
3. Contact information of at least two referees (will be contacted only if needed)

Application Fee: Nil

Last date for receipt of applications: 15th October 2024
